## Google Classroom

By now all parents should have received login details for their child's google account. This will be used for extreme circumstances that may have the class working from home.

## Our class reward system

Each week at assembly on a Wednesday morning all class teachers choose a 'Star of the Week'. This child will have special classroom jobs and will set a good example for their peers each day.

Children receive individual and group rewards.

Children receive visual and oral warnings before misbehaviour is recorded in the discipline folder.
